

## DOS HONORARY LECTURE 2022

TORSDAG, D. 17. NOVEMBER

11:30-12:30

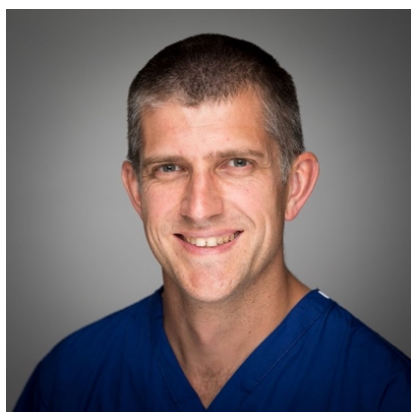

CENTERSALEN

### **From eminence to excellence**

### **How to inform clinical decision making from national multicenter trials**

#### **Professor Matthew Costa**

Professor of Orthopaedic Trauma Surgery, University of Oxford  
Consultant Trauma Surgeon, John Radcliffe Hospital, Oxford.

Matt's research interest is in clinical and cost effectiveness of musculoskeletal interventions. He is Chief Investigator for a series of randomized trials and associated studies supported by grants from the UK National Institute of Health Research. His work has been cited widely, and informs many guidelines from the National Institute for Health and Care Excellence (NICE).

Clinically Matt is a dedicated trauma surgeon.
